PREFACE

One day at the end of June 2018 some words came into my head. I did not think much about them, but they kept on coming, and eventually I wrote them down. To my surprise, they seemed to make a poem. The same thing happened the next day. So I wrote them down again. I had never in my life been able to write poetry. Sometimes at school we had to, and I would sit there for an hour, unable to write even four lines. But here were poems coming in to my head, unasked for and not made up by me. They kept on coming one every day or two days, at any extraordinary hour of the day or the night. Sometimes one would wake me up in the small hours and unwillingly I would sit up in the cold, get out of bed, get a pen, get a piece of paper, and write down what came. All poems. Some, it seemed to me, good, and some not so good. But I wrote them all down. I remember one day, one coming just as I was going out to the dentist and had no time. So I wrote it on the only bit of paper available, the back of an envelope, over and round the address. This went on all autumn, and then at the beginning of January 2019 they stopped coming, bar an odd one or two rather later. A hundred poems, and then no more. Just no more words coming in to my head. All very extraordinary. I did not know what on earth to do with them. I knew God had given them to me, but what next?

So, rather mindlessly, I sat on them and wondered. I knew God must have a reason in giving them to me, but what? God does not waste his time. He must have given them to me for a purpose. So, finally, in October 2021 I decided to print them, just give them to anyone who might be interested, or who might use them, either as a song or in some other way or just to read and see if God was saying something to them.

Eliza Treasure. October, 2021

O Lord Jesus, Lord my God,.....83

My heart is full of joy, my Lord,
And peace that has no end
And love that comes from you, O Lord
That only you can send.

My heart is yours, O Lord my God
Wherever I may go,
My heart is yours , O Lord my God,
In sunshine or in snow.

I worship you, O Lord my God,
In joy or in distress,
My life belongs to you, O Lord
In sunshine or in darkness,

I only want to serve you, Lord,
To bring you my whole heart,
I want to offer at your feet,
The whole and not a part.

Your greatness reaches past the stars
You made it all, O Lord,
Your love extends to humankind
However weak and poor.

You love us with a power of love.
Love beyond our telling,
Love beyond the reach of death,
Far beyond our knowing.

Lord, I bring to you my heart,
As it is, unadorned,
An offering of what I have,
Remade and reformed.

29/7/18

Jesus, Son of God most high,
Creator of the wheeling stars
Born below as man to die,
We come to you with love and tears.

Lord, we worship you this day,
We bring to you our inmost being
We kneel before you, Lord of all
Jesus, your children, blind, unseeing.

But, Lord, our hearts are truly yours
We bring our love, such as we are,
And you receive us, as your people
Open armed, with endless love.

Your love enfolds us, day to day,
Surrounds us as we live our life
Caring and guarding on our way
With love, beyond the reach of strife.

Lord, we bring our sin and pain
Loveless automated life
Needing you to heal the strain
Your love, your care, your healing knife.

Lord of all our troubled days
Bring peace in place of discord
Bring harmony in inner ways
Your alone our record.

4/8/18

Life went on,
As it always had
Ignoring the birth
Of God come to earth.
A wonder so great
In a small city state
The back of beyond,
Where nobody lives
Unimportant and small
To the great and the tall
Unknown and unloved
by the powers of the earth
But lit by God's fire,
A cataclysmic birth.
A light to light up
The whole of the earth
Light in the darkness,
Healing man's strife
Love to the lonely,
Healing the sad
Blessing the desolate,
Life to the dead.

Joy to the world,
Jesus has come
Light in the darkness,
Care for each one.
Shade from the sun
Shelter in storm
Love without end,
Given to man.

18/12/19

Pass your gift of loving on
Into my small narrow ways
Stretch me, fill me, Lord of all
Lord, do you control my days.

Jesus, wonder of this world
Wonder of the heavens above,
Lord, we bring our lives to you
Seeking your full gift of love.

A love that gives beyond the cost
That gives amidst the greatest pain,
A love beyond our human knowing
That comes upon us from your throne.

You give me your heart, O Father of love,
You give me your Spirit, the fire from above
Your passion to serve, to speak and to care
To cherish your people, whoever they are.

To pass on your message from glory above
That Jesus, our Father, came down here in love
To give us his life, in sorrow and pain
In grief and in anguish, till risen again
His life such failure, till viewed from above,
All evil defeated, the glory of love.

The glory of heaven, come upon man
Such dazzling beauty, radiant and calm
Surrender to God, bringing peace and new life
Bringing order and clarity, replacing strife,
Bringing glory to God, and blessing to man,
Bringing peace among people, and joy in its train.

Jesus my Father, Lord of all life,
Lord of all conflict, way beyond strife,
Jesus, you love us, just as we are
Your people still, in joy and in care.

15/8/18

Lord, your love beyond my telling,
Love so great beyond all love,
Love that is given, beyond my knowing,
At cost, from heaven above.

Lord, you love us, as we are,
Flawed and damaged. Lord above,
Come to us Lord God, and change us,
Help us to receive you love.

23/7/18

O Lord of heaven, Father of all
We worship your name, and come at your call
O Lord God most glorious, worshiped above,
We bring you our worship, our hearts and our love.

O Spirit most holy, the Lord sent you here
To come down among us, bringing your love
Bringing your Kingdom, O Spirit of God
Changing your people, with fire from above.

30/08/2018

Lord of all glory, Lord of all might,
Creator of all things, creator of light
Lord of the universe, Lord of the sky
You come down among us, O Lord from on high.

You give us your Spirit, given at cost
You bring life eternal, Lord of the lost
You bring us your healing, Lord of all life
You come and live in us, healing our strife.

We come to your feet, O Father of love
You give us your presence, power from above
We bring you our worship, such as we are
Our hearts and our love, O Lord of all care.

31/8/18

Lord of all glory,
Lord of the stars.
Jesus, my Father,
I know I am yours.
I know that you love me
With a love that remains
Your care is for ever,
Healing my pains.

Jesus, my Jesus,
Lord of my days,
My heart is for you
I sing of your praise.

8/7/18

Jesus, my Lord, my Father on high,
Jesus, my Father, my Lord from the sky
Jesus, I worship, I bow at your word
Lord of all Lords, my master and Lord.

Lord of all glory, Lord of all grace,
Lord, we bend low before your face
Dazzle us, blind us, O glorious light,
Yours is the beauty, the power, the might.

Holy of holies, my Lord and my God
We bring you our lives, faulty and flawed
We bow down before you, lacking the good
Just as we are, needing your food.

Needing the bread and the wine that you give
Needing your word to teach us to live
Needing your body, needing your blood,
Needing your Spirit, O wonderful Lord.

Lord of all glory, lord of all grace
We enter your kingdom, we bow at your face
We bow at your feet , our Father, our Lord,
Light of the world, to be praised and adored.

April 2019

You give me your Spirit,
O Father of love
At cost to yourself
And power from above

You give me your heart,
O Father on high
To use in this world
With care from the sky

Father, I love you,
Small as I am
Made and created
By your loving hand.

Lord, at my Christening,
Lord at my birth,
Created to serve you,
Lord of this earth.

Created to know you,
To serve and to give,
Created to love you
As long as I live.

Lord, your glory streams upon us
Streaming from on high
Shining, lighting up your world
Glory from the sky.

Glory of our risen Lord,
Glorious to our blinded eyes
Dazzling beauty shining on us,
Lighting up your people's eyes

Lord, we fall down on our knees
Glory too much for us to bear
A glimpse of heaven come upon us
Bringing love, freedom from care.

Lord of life, the life of Christ
A life that meets us at the end
A life of service, love and freedom
Of worshipping our master, friend.

Jesus, my friend, we come to you,
We bring our worries and our cares
You lift our heavy burdens from us
And hold us, though disaster stares.

Glory to your name, Lord,
Glory to your name,
Holy is your name, Lord,
Holy is your name.

Jesus, Son of God most high,
Jesus, Son of God,
Beloved of the Lord my God,
Beloved, Lord am I.

Servant of the Lord my God
Servant of the Lord,
Here to serve you, Lord my God,
Here to serve am I.

Made and loved and blessed by You
Made and loved and blessed.
Here to glorify your name
Now and evermore.

29/6/2018

Jesus, Lord of every Lord
And King of every King
I bow down now before your throne
I lift my voice and sing

Jesus, gracious Lord and King
Great above all other
Wonder of the human mind
My Father, Lord and brother.

Jesus, wonder of this earth,
Greater than all other,
Jesus, King of heaven and earth
You call yourself my brother.

Lord, I worship at your feet
I lift my hands in praise
I lift my voice to worship you
My heart is yours always.

Jesus, Lord of all the earth
Greater than all other
Jesus King of heaven and earth
You call yourself my brother.

Jesus, Lord of all the earth
Wonder of creation
Wonder of the heaven above,
My Lord and my salvation.

My heart cries out 'My Lord my King',
The wonder of my being
The heavens repeat these words of praise
Angels, archangels singing.

Holy Jesus, Lord of Lords
Greater than all other,
Highest Lord, above all Lords,
Part of God the Father.

Bringing heaven down to earth
Denying all temptation
Turning human flesh and blood
Into my salvation.

Lord I bring to you my heart
My love, my inmost being
I bring to you my flesh and blood
My deepest, greatest longing.

You gave yourself to me, my Lord
You gave your life and death
And now I give my heart to you
Until my final breath.

21/8/18

Let us bless the Lord,
Let us bless the Lord,
Let us bless the Lord our God
Let us bless the Lord,

We worship the Lord our God.

Greater than the rising sun,
Greater than the stars,
Beauty, Lord, above all else
Beauty, Lord is yours.

Lord, my soul calls out for you
As starving man for food,
Searching, seeking more of you
Searching in your word.

You feed us with your endless love,
Far beyond our knowing,
A love that reaches to my heart
And heals me, deeply caring.

Lord of all my inmost being,
Jesus, Lord of all
A love the heals my deepest wounds
A love that makes me whole.

3/8/18

Creator of the universe,
Creator of the sky
Creator of this wondrous earth,
Created, Lord, am I.

Creator of angelic beings,
Creator of each soul,
Of cherubim and seraphim.
Of all things great and small.

Your creation, lord of all,
Your hand upon this earth
Your hand upon the human race
Bringing souls to birth.

Glory to your name O Lord,
Jesus Christ, I sing
I lift my voice and worship you
O Christ, our Lord and King.

29/7/18

I come to you, Lord, in my grief and my pain,
I come to you, Lord, for my healing again,
Out of my sorrow, out of my grief
You give me your being, you give me your life

Lord, I am yours, for the whole of this life
Supported and cared for, in trouble and strife
Held in the peace of your loving hand
Loved and enabled, in storm and in wind.

Jesus, my Father, whatever may come,
I know I am yours, in peace and in storm
In joy and delight, your teach and you care
You lead and enable, your presence is near.

Your love is around me, wherever I am,
Supporting and healing, leading me on,
My rock and my fortress, Lord of my way
My guide and protector, wherever I stray.

My Father, I love you, a love that endures
Through all temptation, bypassing cares
Your love never fails me, wherever I am,
In peace or in trouble, in storm or in calm.

Make me your person, filled with your care,
Filled with your being, to love and to share.

Spirit of Jesus, greatest of all,
Man above all, I hear when you call
I come to your feet, O Father made man
I bring you my worship, all that I am.

Jesus my Father from heaven sent here
Bringing love and forgiveness, mercy and care.

That I may please your eyes.

My passion is for you, my Lord,
For you and for none other,

To those in great need
From the Father in heaven
In life and in deed.

A love that surrounds us
Till human life ends.

He gives for our asking, a gift beyond measure,
A gift from the Godhead, to mere human kind,
A gift freely given, of infinite treasure.

Made in your image, O Father of love

So great an honour, O Father of mine.

Greatest of all, you made us like you
Made in your image, too good to be true,
Loved and created, O holiest Lord
Jesus your Son, forever adored.

We serve you and love you, in our sinful ways
Longing for you, singing your praise
Longing to serve you, to honour your name
To love and adore you, to bring you some fame.

O send us your Spirit, Power from above
The flame of your burning passionate love
A flame to consume us, to make us your own
To burn up our selfhood, to carry us home.

Lord of glory, come to earth
Come as common man to birth
Come among us, flesh and blood
Here below, for our good.

Lord of the universe, come as man
Tiny and helpless, born of a woman
Sent here to teach us, to love and to show
How to be human, down here below.

How to live and how to care
To teach and to heal, the sick and the poor
The bad and the hungry he changes us all
Into His image, more and more.

We worship your name, Lord of this earth,
We praise and adore You, God come to earth.
Poor as we are, we honour your name
We give you ourselves, the world sees your fame.

Father in heaven, you take our small lives
You make them your own, your Spirit revives
The small flame within us, empowering our ways

Showing the way in the dark of the night
Holding our hands where we see no light.

July 2018

I wonder and worship
O lord of all love
Your love and your Spirit
Sent from above

Sent to entice us
On your chosen way
Made in your image
To serve you this day.

A service of giving,
Love without end
Beyond our ability
Love that you send.

Love for the other
No matter how sour
Or bad or indifferent
So great is your power.

The power that you give us
Your Spirit from on high
A part of the Father
The Lord of the sky.

14/8/18

There was joy in the sky when God came by
To tell of the birth of his Son to this earth.
The Lord of the world come down as a man
Come here to teach us to live as God can.

The angels all sang at this gift to man.
Joseph rejoiced as this child was born.
Mary lay back, delivered of a son
The wise men came far, and followed their star.

And went home with joy, their courage born out,
Having listened to God and done the mad act
They travelled the earth, to follow God's lead
And found what they sought, at the birth of a child
In the smallest of men, a tiny new born
The gift of our God, in his love for man.

Come here to cry, and to care and to grieve
Come here to show us how to give love
Come down here open to hurts and to wounds
To love and rejection, to care and to friends.

The Lord of the skies, come down as a man
One among many, but lit by the flame
Of God's love within him, a fierce burning flame
Of glory and passion, for the hurt and the lame.

A love for mankind, whoever we are,
Dirty and soiled, or new born and pure.
A love beyond borders, with grief for the bad,
And love for us all, forgiving and sad.

16/01/19

Whatever life may do to me,
I will sing your praise.

I bow down, O Lord my God,
My face unto the ground,
I bow down and worship you
My master and my friend.

My Lord sends me on unknown ways
To serve those who may come.
My Lord, my heart will follow you
Until you take me home.

I only want to serve you, Lord,
You above all other
It's only you I want to serve,
My Father, friend and brother.

My Lord, my heart is truly yours
I love you, Lord my Father,
I only want to worship you,
You and none other.

Jesus, Lord of all my heart
Joy above all loving
Jesus, wonder of this earth,
Lord of grace and giving.
